

## **NEW PATIENT APPOINTMENT INFORMATION**

### **NGPG ALLERGY AND ASTHMA**

Please arrive 30 minutes prior to your scheduled appointment time and make sure that you complete your New Patient information **before** your appointment via MyChart. Click on the correct visit/appointment, Scroll down to Prepare for Visit and Click on Patient History. Verify all Medical information, Demographics and answer the travel questionnaire.

Please bring with you to the appointment:

1. Drivers License or Photo ID
2. Current Insurance Card
3. Copay due (you can pay this via MyChart)
4. All medications you are currently taking

Just a reminder that your first appointment could take between 2-3 hours. NO ANTIHISTAMINES 5-7 days before your appointment because it can interfere with your skin test results. Also, you will find the billing codes below for allergy testing and the pulmonary function test. We highly recommend that you contact your insurance to verify that these cpt codes are covered.

**Allergy skin testing cpt codes:**

95004- Skin Pricks

95024- Intradermal

Most common diagnosis code- J30.9 Allergic Rhinitis

**Pulmonary Function Test cpt code:**

94060- Pulmonary Function Test

Most common diagnosis code- J45.50 Asthma
